

In Part I after discussing the first 11 points in the outline it would be good to introduce the Future Vision Plan of our Foundation, briefly.

11-a Suggest after #11 - asks the participants if they have heard of the Future Vision plans of our Foundation? Are participants aware that our Foundation is working on a new business model? ***It is the Future Vision Plan.***

11-b Why a new business model? ***Prepare us for the second 100 years, to involve more Rotarians, simplify the process, because of how well we, the members, have run the programs with integrity and good stewardship, help more folks-have a greater impact.***

11-c What are pilot districts? (***3 year study***) What are the two types of grants under the new model? ***District and global grants***

11-d How does the club and district benefit? (***50% of the DDF can be used locally, packaged grants involving time and talent not necessarily dollars***)

11-e When will the Future Vision program roll out completely?(***July 2013***)
